

We may ask you for:

- Consent

Consent is when you agree to share your information

Types of information FOCAS will ask you to share

- Photos
- NDIS Plan and goals
- Personal Information

Happy to share?

Tell us what types of information we can share:

Unhappy to share?

Tell us what types of information we cannot share:

Why?

FOCAS need to share the information to ensure your goals are met and to provide the supports you need.

FOCAS may share information and photos taken while you're participating in activities for promotion purposes, involving use on the website and brochures.
